GENERAL AGREEMENT

April 16, 2023 – May 31, 2026

THIS AGREEMENT is entered into at Portland, Oregon this April 16, 2023 between PORTLAND HOSPITAL SERVICE CORPORATION, hereinafter called the “Employer” and Service Employees International Union, Local 49 hereinafter called the “Union” for the purpose of establishing the mutual relations of the parties governing wages, hours of employment and other working conditions for the bargaining unit hereinafter described.

WITNESSETH:

In consideration of the mutual covenants to be kept and performed by the parties, they hereby agree as follows:

ARTICLE 1 – DECLARATION OF PURPOSE

Section 1 – The purpose of this Agreement is to establish the basis of the collective bargaining relationship between the parties whereby a spirit of mutual understanding, harmony, and cooperation between the parties, employees, and the Company is promoted, thereby serving the best interest of all concerned and ensuring industrial peace.

Section 2 – The Company and the Union also recognize the need for a new approach to labor/management relations. It recognizes that traditional methods of management and labor relations should be supplanted by the development of an environment of cooperative problem solving and employee commitment to the concept of continuous quality improvement while reducing costs through teamwork.

Section 3 – The Union recognizes that the Employer has the duty and responsibility to manage the laundry and to direct the working forces, which includes, determining the amount of equipment to be used and the processes; techniques, methods, type of equipment, introduction of new and/or improved or different equipment, and means of operation or maintenance, extension or curtailment in operation of the business; the control and use of the Employer’s material, including the right to hire, transfer, promote, lay off, discipline or discharge, subject to the terms of the disputes and grievance procedure.

ARTICLE 2 – UNION RECOGNITION

Section 1 – The Employer recognizes the Union as the sole collective bargaining agent for all employees at its Portland, Oregon facility(s) as defined herein; all-cart movers, soil sort, shipping, and all other laundry categories, excluding drivers, engineers, janitors, clerical employees and supervisors as defined by the Act.

ARTICLE 3 – UNION SECURITY

Section 1 – Copies of Agreement. The Union shall be responsible for providing sufficient copies of this Agreement and the “New Membership Information” packet to the Employer in order for the Employer to distribute them to new hires. If the Union fails to provide sufficient copies, the Employer shall have the option of making such copies available for new hires. The Union shall inform the employee of their union dues structure.

Section 2 – Union Orientation Time. The Employer agrees to provide twenty (20) minutes of work time for a representative of the Union or Steward to make a presentation during the orientation of new employees on behalf of the Union for the purpose of identifying the organization’s representational status, organizational benefits, facilities, and collecting membership applications. Such time will be a regularly-scheduled part of new employee orientation. This time is not to be used for discussion of any labor/management disputes.

Section 3 – To the extent permitted by law, after the thirtieth (30th) day following the date of ratification of this Agreement, all employees covered by this Agreement shall become and remain members in good standing in the Union, however, employees with seniority dates prior to December 21, 1972, may or may not join the Union at their own discretion.

To the extent permitted by law, all newly hired employees covered by this agreement shall become and remain members in good standing in the Union on the 31st calendar day following the beginning of such employment.

The Employer may use a temp-to-hire program whereby it uses employees through a temporary agency for up to sixty (60) days. If the Employer wishes to continue with those employees, it will hire them at the end of the sixty (60)-day period. In those situations, the employee must become and remain a member in good standing in the Union upon hire with the Employer.

Time worked as a temporary employee under this section will count towards the employee’s probationary period.

Section 4 – Check-off. The Employer shall present new employees with a payroll deduction authorization and membership form(s), which shall be supplied by the Union. The Employer shall deduct from wages of each employee who has given a signed authorization, all applicable initiation fees, dues and COPE contributions (provided, however, that employees may change the amount of their COPE contribution only one time per year, in January). The monies so deducted shall be remitted to the Union with a record of the employee’s name, a unique identifying number, the amount(s) deducted, and any reason for non-payment of dues, not later than the fifteenth (15th) of each calendar month. If the Employer fails to appropriately deduct dues, the Employer will notify the affected employees and the Union of the error and, if possible, the Employer will correct the error in the employee’s next paycheck. The Employer will provide upon request, documentation of all affected employees to the union explaining the origin and reason for any errors in payroll deductions and the corrective actions taken by the Employer to rectify the discrepancy.

Section 5 – Each month the Employer shall cause notice to be given to the Union which shall set forth the name, address, phone number, unique identifying number, and date of hire of each

employee hired within the previous thirty (30) days. Said notice may be provided via ground delivery mail, facsimile, or other electronic means.

The Employer has a commitment to the security of employee confidential information. Due to the sensitive nature of information submitted to the Union for the purpose of conducting its business, the parties acknowledge the existence of the Employer's Privacy Policy as published in whole in the Employer's Employee Handbook.

Upon written notice from the Union of failure on the part of any employee to tender initiation fees and dues as required above, the Employer shall, within seven (7) calendar days of such notice, discharge said employee. However, if payment of such arrears is made within such seven (7) day period, the Company shall not be required to dismiss such employee. When an employee has been dismissed by the Company due to his/her suspension or expulsion by the Union, the Company shall not be required to re-employ or reinstate such employee at any time.

Section 6 – The Union shall indemnify the employer and save harmless against any and all suits, claims, demands and liabilities that shall arise out of or by reason of any action that shall be taken by the Employer for the purpose of complying with provisions of this Article or in reliance upon any assignment and authorization form, list or information which shall have been furnished the Employer under such provisions of this Article.

Section 7 – Labor Management Committee. A Labor Management Committee (LMC) will be formed for the purposes of sharing information and discussing workplace issues. The LMC will consist of up to three (3) management representatives and up to three (3) union representatives. Each party will choose their own representatives. The LMC will meet quarterly, but may meet more or less often by mutual agreement.

ARTICLE 4 – NON-DISCRIMINATION

Section 1 – Neither party shall unlawfully discriminate against any employee or applicant for employment because of age, race, color, religion, national origin, gender, sexual orientation, or physical or mental disability. Likewise, neither party shall discriminate against applicants due to political belief. Notwithstanding the foregoing, a grievance shall not be arbitrable under this Agreement until or unless the grievant has exhausted his/her administrative remedies before the appropriate governmental agency. This Article does not exempt the parties from the requirements of filing such grievance in a proper and timely manner as stated in Article 6.

ARTICLE 5 – NO STRIKE OR LOCK OUT

Section 1 – The Employer and the Union realizing that hospital services are different in their operation from other industries because of the type of services rendered to the community and for humanitarian reasons, agree that there shall be no lockouts on the part of the Employer nor suspension of work or work slow-downs on the part of the employees, it being one of the purposes of this Agreement to guarantee that there shall be no strikes, picketing, lockouts, sympathetic strikes, sympathetic picketing, work slow-downs or work stoppages at any place where services are being provided by the Employer and that all disputes will be settled by the procedures hereinafter provided.

ARTICLE 6 – DISPUTES AND GRIEVANCES

Section 1 – Grievances are issues involving the interpretation or application of an article of the Agreement and shall be handled pursuant to the procedures of this Article.

Section 2 – **Step 1:** Any employee having a complaint or issue shall meet and discuss the matter with the Plant Manager, or if unavailable his/her immediate supervisor within fifteen (15) working days following the day the employee knew or should have known of the alleged violation. The employee may have a shop steward present. The Plant Manager may provide an oral response immediately, however, but shall also provide a written response to the employee within two (2) working days of the meeting. Should the Plant Manager’s response not settle the matter, the shop steward shall proceed to the next step.

Section 3 – **Step 2:** Within seven (7) working days following receipt of the oral answer provided for in Step 1, the Shop Steward may have a meeting with the Human Resources Manager and the grievant in an attempt to settle the matter. The Human Resources Manager shall give a written response to the Step 2 meeting within three (3) working days. If the written answer given by the Human Resources Manager does not settle the issue, then the shop steward may proceed to the next step in the grievance procedure.

Section 4 – **Step 3:** Within seven (7) working days following receipt of the Human Resources Manager’s response, the Union’s Business Representative shall meet with the General Manager in an attempt to settle the grievance. Should a settlement be reached, it shall be documented with signed copies retained by both parties. Should a settlement not be reached, the parties shall proceed to mediation through either the Federal Mediation and Conciliation Service or some other mutually agreed upon mediation service, unless both parties mutually agree to proceed directly to Step 6, Arbitration.

Section 5 – In the event that mediation is unsuccessful, or the parties mutually agree to proceed directly to arbitration, the grieving party may submit the grievance to arbitration by giving written notice to the other party within ten (10) working days of the mediation deadlock or agreement that mediation will not be pursued.

Section 6 – In the event the parties are unable to agree upon a third party, the Federal Mediation and Conciliation Service (FMCS) shall be requested by the moving party to submit a list of nine (9) proposed arbitrators from the Pacific Northwest. This request shall be submitted to the FMCS within fifteen (15) business days of the written notice to arbitrate. The Union and the Employer shall each alternately strike one name at a time from this list until only one name remains on the list. The right of first strike is to be determined by the flip of a coin. The name of the arbitrator remaining on the list shall be accepted by both parties.

Section 7 – Only one grievance will be subject to any one arbitration unless the parties explicitly agree to the contrary. The fee of the arbitrator shall be paid by the losing party. Each party shall pay its own incidental costs, attorney fees, witness costs, etc. The cost of any hearing transcript shall be borne by the requesting party; however, the requesting party shall share the transcript with the other party.

The arbitrator shall not have the power to add to, delete from, or amend any provision of this Agreement. The decision of the arbitrator shall be final and binding upon both parties.

It is mutually understood and agreed that the arbitration procedures set forth above shall apply to timely and properly processed grievances arising under the Agreement during its term, or under any extension thereof, but shall not apply to disputes or disagreements between the parties which arise out of the re-negotiation of the Agreement, or any portion of it, under the timely contract opening and re-negotiation procedures set forth in Article 27, "Duration and Term of Agreement" or to disputes or grievances which arise during periods when this Agreement has expired and an extension has been executed.

Section 8 – Should either the Employer or Union fail to initiate a grievance or advance a grievance within the time limitations as provided herein, such party is deemed barred from further prosecution of such grievance. The time limitations throughout this Article may be extended by mutual written consent of the parties.

ARTICLE 7 – DISCIPLINE

Section 1 – The Employer shall not discipline or discharge any employee, other than a probationary employee, without cause.

Section 2 – The Employer understands the need to clearly communicate behavioral and performance expectations to all employees, and shall practice a progressive counseling and disciplinary process that allows employees the opportunity to correct unacceptable situations that may arise. The process shall include levels of action for specific violations in accordance with the PHSC Disciplinary Guidelines and may include:

A. Counseling – The employer shall bring to the attention of the employee those areas where they may not be meeting the expectations of the Employer, and offer ways in which the employee can correct the situation(s), whereby they can meet those expectations. Such counseling shall be private and include documentation as to the nature of the counseling and the corrective expectations of the Employer, including reasonable time to elapse for the employee to meet the expectations of the Employer. Counseling shall be administered in accordance with the PHSC Disciplinary Guidelines attached hereto.

B. Verbal Warning – Verbal Warnings shall be administered in accordance with the PHSC Disciplinary Guidelines attached hereto. If the reasonable expectations of the Employer are not met, or if the behavior is indicated as a Level II offense the employee may receive a verbal warning, which shall be documented.

C. Written Warning – Written Warnings shall be administered in accordance with the PHSC Disciplinary Guidelines attached hereto. If after receiving a documented verbal warning, the employee continues to not meet the reasonable expectations of the Employer, or if the offense is indicated as a Level III offense, the employee may receive a written warning.

D. Termination – Terminations shall be administered in accordance with the PHSC Disciplinary Guidelines attached hereto.

Notwithstanding the above, a suspension period may be used pending investigation of a situation(s) of a serious nature, which suspension may be paid or unpaid, depending upon the

outcome of the investigation. Suspension for attendance shall be administered in accordance with the attendance guidelines in Article 8.

Suspension may also be used at the sole discretion of the employer should it be determined that suspension is more appropriate than termination. Said suspension shall be unpaid and shall not exceed a time period of 14 working days.

In cases of unpaid suspension, employees shall not be allowed to cash out PTO until the second (2nd) pay period following the end of such suspension.

Section 3 – Except for those offences listed as D violations of the Guidelines no employee shall be discharged without first following the progressive discipline in Section 2, above. A warning notice, once given, shall be canceled after twelve months, unless it is followed by a second written warning notice of any kind, whereupon it will be cancelled after a 12 month period following the second written warning without further incident. With the exception of the attendance guidelines in Article 8, three (3) valid written warnings notices, of a different nature, within a twelve (12) month period shall constitute sufficient cause for termination. The employer shall notify the affected employee when the written warning or discipline shall expire.

Section 4 – The Employer shall notify the Union in writing, such notice may be via facsimile, of any discipline with a copy to be sent to the Union office. The Union, if it believes that discharge, discipline, or a warning notice is unjustified, may appeal the matter to the Employer for settlement in accordance with the Disputes and Grievances provisions of this Agreement.

Section 5 – Plant rules and regulations may be established and modified by the Employer by publishing and distributing the PHSC Employee Handbook. Such Employee Handbook shall establish rules and regulations and must be filed with the Union upon signing of this Agreement. Once reviewed and approved by the Union, the Employer shall submit any modifications or amendments of the Employee Handbook to the Union for review of language and matters subject to collective bargaining. Each Employee shall be issued an Employee Handbook upon employment and shall sign a form acknowledging their responsibility to read and understand the Employee Handbook.

Section 6 – Video Cameras. If information on a video is to be used for potential discipline or discharge an employee, the Employer must provide the Union, prior to the investigation, an opportunity to review the video to be used to support the potential discipline or discharge. The Employer shall not install or use video cameras in bathrooms or other places where employees are authorized to change clothing.

ARTICLE 8 – ATTENDANCE GUIDELINES

Section 1 – To maintain an efficient and productive work environment, PHSC expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and

tardiness place a burden on customers, other employees and PHSC. In instances when employees cannot avoid being late to work or are unable to work as scheduled, they must notify their supervisor at **(503) 328-1311** as soon as possible in advance of the anticipated tardiness or absence, but not later than before the start of their scheduled shift.

Employees are required to notify their supervisor of the specific reason for the tardiness or absence prior to the beginning of their scheduled shift. If the absence is due to a valid illness or other qualifying reason as defined in Oregon Paid Sick Leave, the employee shall notify the supervisor of the specific reason and estimated length of the absence.

When the need to use Paid Time off is foreseeable, the employee shall provide notice to their supervisor as soon as practicable and shall make a reasonable effort to schedule the Paid Time Off in a manner that does not unduly disrupt the operations of the employer. The employee shall inform their supervisor of any change to the expected duration of the Paid Time Off as soon as is practicable.

Section 2 – 3.0 points shall be assessed for each No-Call/No-Show. PHSC makes reasonable accommodation for qualified individuals with disabilities where it would not be an undue hardship. In some cases, it may be a reasonable accommodation to provide unpaid leave beyond that provided in this policy which would not be assessed but would be reviewed under the undue hardship standard. Such leaves shall not be of an indefinite duration. All other absences will be assessed at managements’ discretion.

ATTENDANCE POINTS

For each tardy or absence not due to protected leave status, the following point system shall apply:

Absences of more than ½ hour but less than half a day shall be assessed 1 point. For absences of a full day, 2 points shall be assessed. For absences of more than a full day that fall on consecutive work days and are for the same illness, 2 points shall be assessed. Any absence on a scheduled work day before or after an approved vacation or Holiday begins shall be assessed 3 points.

If during any consecutive twelve-month period, an employee’s total assessed points equal:

- 4.0 Points. Level 1-Employee will be given a verbal warning;
- 5.0 Points Level 2-Employee will be given a written warning;
- 6.0 Points. Level 3-Employee will receive a 2 day suspension without pay;
- 7.0 Points Level 4-Employee will receive a termination notice

Section 3 – Excessive tardiness will be defined as being tardy more than 3 times, in a 30 calendar day period. Continued excessive tardiness will result in progressive discipline.

Patterned absenteeism will result in progressive discipline.

Two written warnings in a twelve-month period in any combination above shall result in a Level 3 discipline. Any further written warning shall result in termination.

Employees with personal problems affecting their attendance may wish to discuss them with PHSC management. However, such discussions will not excuse unacceptable attendance or lack of punctuality and employees are expected to resolve such problems as soon as possible.

Section 4 – Protected Absences. Any absences protected by FMLA, OFLA or Oregon Paid Sick Leave shall not count as attendance points. Not more than 40 hours per year will be considered protected under Oregon Paid Sick Leave. With the exception of pre-scheduled vacation and holidays, all absences that are not legally protected shall count towards attendance points, whether the employee uses PTO to cover the absence or not.

ARTICLE 9 – SENIORITY

Section 1 – An employee’s seniority shall be computed from the time of his/her employment. However, he/she shall be on probation for ninety (90) calendar days following the date of his/her employment, during which time the employee shall receive comprehensive information and counseling regarding employment expectations during orientation, the evaluation process, and annual retraining sessions which shall be documented in their personnel files, during which period the employee shall have no rights accorded by Articles 6 (except for pay claims), 7, 8, 16 and 17 of this Agreement. By written notice to the employee, with the consent of the Union, before the expiration of the probationary period, the Employer may extend the probationary period an additional thirty (30) calendar days.

Section 2 – An employee shall lose all seniority if he/she (a) voluntarily terminates employment or is terminated from employment for just cause; (b) is laid off and not recalled within one year of layoff; (c) fails to return to work within five (5) working days after receipt of notice to return from layoff; or (d) is absent without contact for three (3) consecutive work days.

An employee who is off the job for no more than 180 consecutive days because of injury or illness and who is able to return to the classification he/she held at the time he/she sustained his/her injury or illness shall be reinstated to his/her former job.

An employee who is off the job because of industrial injury or illness shall be reinstated in accordance with then existing laws.

Section 3 – Notwithstanding the above, employees who transfer out of the bargaining unit to another position at PHSC, will maintain seniority rights for 90 days, provided the employee remits all dues and fees required to maintain membership in Service Employees International Union, Local 49, during which time the employee may return to the bargaining unit without loss of seniority. At the conclusion of the 90 days however, the transferred employee’(s), will lose all seniority rights, and if returned to the bargaining unit, will do so under the terms and conditions of a new hire.

ARTICLE 10 – LAYOFF AND RECALL

Section 1 – In the event of reduction and restoration of work force, plant seniority shall prevail unless there is a demonstrable difference in ability and competence. However, in reductions of less than one day duration, any employee working on overtime hours shall be released first, departmental senior employees shall have the option of leaving second, and any temporary

employees shall be provided the option of leaving last. In matters of preference over daily schedules and hours of work, departmental seniority shall prevail.

Section 2 – Employees shall not accrue either PTO while on layoff or unprotected leave.

ARTICLE 11 – PROMOTION AND TRANSFER

Section 1 – All employees shall be cross trained in all positions for which they are qualified for (i.e., language or math skills) and for which they have the physical ability to perform. Job openings shall be filled by the senior employee who is fully cross trained in the open position and has indicated their desire to move into the open position. However, any employee who has had disciplinary action within the last 30 days shall not be eligible for an open position.

Section 2 – Job openings /vacancies shall be posted in a conspicuous place such as the employee lunchroom and/or near time clocks for five consecutive working days. Employees wishing to be considered for positions in departments other than their own, shall advise the Employer in writing of their wishes.

Section 3 – Employees who promote or transfer under Article 11 will have a 30-day period of trial, during which the employee may be returned to their previous position.

ARTICLE 12 – WAGES

Section 1 – The wage scales as set forth below constitute the minimum wages payable during the life of this Agreement. Nothing shall prohibit the Employer from paying higher rates than those set forth.

Section 2 – When an employee is temporarily assigned to a job for the convenience of the Employer, the employee shall receive the rate of pay of his/her regular job or that of the temporary assignment, whichever is greater, for the hours worked on the temporary assignment. If an employee is compensated at different rates of pay within any single pay period, the pay check for that period shall include an itemized statement of the hours and rates of pay for each classification worked.

Section 3 – In the event of a breakdown, employees affected shall be required to stand by or be sent home for the day and paid their four (4) hour guarantee, or be released from all duties for a minimum of two (2) hours. Any employee required to stand by shall be paid at straight time for the duration of such period of such breakdown. A lunch period of up to one (1) hour (which may be discontinuous) may be used to reduce standby time. Work performed following the termination of such breakdown shall be computed at straight time up to the scheduled length of the shift for that day and shall, in no event, extend more than two (2) hours beyond the scheduled end of the shift.

Section 4 – Upon request of the Union, the Employer shall submit any necessary records needed for checking of employees, these include but are not limited to, hours, pay or conditions of employment provided for in this Agreement, or allowed by law. ARTICLE 13 – HOURS OF WORK/OVERTIME

Section 1 – **Day Shift.** Any employee who is assigned work that commences at or after 3:00 AM and ends at or before 5:30 PM is on the day shift for the entire period he/she works.

A swing shift may be scheduled starting at or after 3:30 PM. If an insufficient number of senior employees accept assignment to the swing shift, employees will be assigned beginning with the least senior employee or new hires.

A four-hour shift may be scheduled. If an insufficient number of senior employees accept assignment to the four-hour shift, employees will be assigned beginning with the least senior employee or new hires.

Any employee who is scheduled for a day shift shall be paid an additional sixty cents (\$0.65) for each hour worked after 5:30 PM or before 3:00 AM Employees regularly scheduled for a part-time shift which ends after 5:30 PM shall not be paid the additional \$0.65.

Section 2 – **Compensation.** The Employer may establish workweeks that consist of either five eight hour days (5/8s), four ten hour days (4/10s) or a combination of four (4) hour shifts representing part time status:

FIVE EIGHTS (5/8s): All work performed over forty (40) hours in one (1) week, shall be paid at the rate of one and three quarters (1-3/4) times their regular hourly scale. It shall be assumed that occasions requiring a worker to work more than two (2) hours beyond the end of the scheduled shift shall arise for emergency only.

FOUR TENS (4/10s): All work performed over forty (40) hours in one (1) week, shall be paid at the rate of one and one-half (1-1/2) times their regular hourly scale. It shall be assumed that occasions requiring a worker to work more than one (1) hour beyond the end of the scheduled shift shall arise for emergency only.

Overtime and premium payments shall not be pyramided for any purpose. In other words, any hours paid at the rate of 1.5x or above (due to premium pay or overtime) shall not count as "hours worked" for any overtime purposes.

Section 3 – It is understood that hospitals and health care services require a continuous supply of linen and therefore, from time to time, overtime and holiday work may be required. Such work is to be considered a condition of employment and failure to perform such work shall be considered grounds for disciplinary action, unless the employee is excused from overtime work in accordance with this section.

It is understood that large production environments do not guarantee a 40-hour work week, and that at times, a shift may be shortened.

The Employer will make every reasonable effort to give the employees as much advance notice of overtime work as possible, and will give timely responses to all requests for absence from overtime work. An employee may also be excused from overtime work due to illness and emergencies which are beyond the employee's control. Employees excused from overtime work shall not be paid PTO pay for such hours, and the time missed may be counted against any FMLA/OFLA entitlement the employee may have, as allowed under the law. The employee has the burden of proving lack of control. An employee wishing to be excused from working overtime must so advise the Employer in writing at the time the overtime work is posted unless the employee neither knew nor should have known of the reason requiring an excuse at the time of posting. Should the employer be unable to provide notice of overtime work prior to the last break of the day, employees working overtime shall be allowed to make arrangements for transportation, etc.

If a full work crew is not required, the Employer will allow those who are not needed to be excused on the basis of need and seniority at the Employer's discretion.

Section 4 – The Company will post once a quarter, an overtime sign-up sheet for employees wishing to volunteer for unscheduled overtime. Unscheduled overtime for the purposes of using the overtime call down list shall mean overtime to be worked by an employee who is not scheduled to work, nor is on site working at the time the overtime is identified. Employees on the list shall be contacted only in the event that no employee currently scheduled and who is on site is trained in and can perform the work required for the position. All efforts shall be made to move currently scheduled and/or working employees into open positions before using the call down list.

When unscheduled overtime work is identified, employees whose home department the work exists in shall be contacted first, in department seniority order. Should this fail to produce enough workers, other employees trained in that department shall be contacted second in order of department seniority.

While the Company will use its best efforts to assign unscheduled overtime in accordance with this section, the parties acknowledge that mistakes happen.
