

Democracy is about choices

But working people shouldn't have to make choices like this.

 Stronger Together For a Voice

While it is business as usual for a wealthy 1%, the rest of us are finding it harder than ever to make the most basic of ends meet.

Now, more than ever, we must stand together to have our voices heard and to stop a wealthy minority from setting the agenda for the rest of us. **Together, we can make sure that policymakers make good jobs and affordable healthcare a priority.**

Together we can make sure we elect lawmakers that will take a stand for the issues that matter to working families.
