Section 1. Purpose

For the purpose of this Agreement, a Grievance is any difference or dispute between the Company and the Union, an Employee or group of Employees concerning the interpretation or application of this Agreement. The parties agree to make prompt and earnest efforts to resolve such matters.

Section 2. Procedure to File a Grievance

The procedure for handling a Grievance pertaining to any such difference or dispute which may arise under this Agreement, shall be as follows, except that Grievances involving disciplinary suspensions, transfers, or terminations may be initiated directly at Step 3.

Step 1.

The Union and the Contract Manager shall attempt to resolve any disputes or differences covered by this Article at the time they arise or as soon as practicable thereafter. In the event they are unable to resolve the issue, the Grievance shall be reduced to writing by the Union, signed by the grievant and submitted to the Company's designated representative within ten (10) Business Days from when the grievant knew or should have known of the facts giving rise to the Grievance.

Step 2.

All Grievances, other than those concerning discharge or suspension, shall be discussed at a Step 2 meeting between the Union representative and the Company representative, who shall not be the person who participated in Step 1 on behalf of the Company, to be scheduled within ten (10) Business Days of the written Grievance. A written decision by the Company shall be rendered within ten (10) Business Days of the Step 2 meeting. If the Grievance is not deemed resolved after the Step 2 meeting, the Union shall request, in writing, a Step 3 meeting within ten (10) business days of the Company's Step 2 written decision.

Step 3.

Following a request for a Step 3 meeting, the Union representative and the Company representative, who shall not be the person who participated in either Step 1 or Step 2 on behalf of the Company, shall meet within ten (10) Business Days. A written decision by the Company shall be rendered within ten (10) Business Days of the Step 3 meeting. For all discharge and suspension Grievances, the designated Union representative will request, in writing, a meeting with the designated Company representative. Once requested by the Union, the parties will meet within ten (10) Business Days of the receipt of the Grievance notice in an attempt to resolve the issue.

All Grievances not resolved at Step 3 may be submitted at the request of either party to an arbitrator whose decision shall be final and binding on the Union and the Company. The demand for arbitration must be made in writing within fifteen (15) business days after receipt of the Company's Step 3 written decision.

Section 3. Arbitration

The parties agree to utilize the Federal Mediation and Conciliation Service to select arbitrators to decide all Grievances submitted to arbitration. An arbitrator shall be selected pursuant to the Federal Mediation and Conciliation Service Rules for Labor Arbitrations.

- A. The parties will make every effort to have the arbitration scheduled as soon as practicable.
- B. Within fifteen (15) Business Days after receipt of the Union's written notice to proceed to arbitration, the Union shall schedule a telephone call with the Company in a joint attempt to agree upon the selection of a neutral arbitrator.

- C. The arbitrator's fees and expenses, including the cost of any hearing room, shall be borne by the non-prevailing party to the arbitration. The arbitrator shall designate the prevailing party and that party shall be designated in the arbitrator's decision or award. Each party to the arbitration will be responsible for all of its own additional expenses and compensation incurred bringing any of its witnesses or other participants to the arbitration. Any other expenses, including transcript costs, shall be borne by the party incurring such expenses.
- D. If either party asserts that the dispute or difference is not properly a "Grievance", the fact that the Grievance has been dealt with under the contract Grievance machinery shall not be considered by the Arbitrator in determining whether or not the Grievance is arbitrable.
- E. If an arbitrator cannot be agreed upon and selected as defined in Article 8, Section 3.b. above, the parties intend that the arbitration shall be governed by the Federal Arbitration Act (FAA). The procedure outlined herein in respect to matters over which the arbitrator has jurisdiction shall be the sole and exclusive method for determination of all such issues, and the decision of the arbitrator shall be final and binding upon the Union and the Company. The arbitrator shall have no authority to add to, or modify, any of the terms of this Agreement.
- F. Should either party fail to abide by an arbitration award within two (2) weeks after such award is sent by registered or certified mail to the parties, either party may, in its sole and absolute discretion, take any action necessary to secure such award including but not limited to suits at law.

Section 4. Time Limits

- A. Time limits in this Article shall exclude Saturday, Sunday and paid holidays. The time limits in this Article may be extended by mutual agreement of the parties.

- C. If the Union fails to process a Grievance, in writing, within the time limits prescribed, the grievance shall be considered dropped by the Union and the Company is not required to take any further action.
- D. Any grievance shall be considered null and void if not filed and processed by the Union in strict accordance with the time limitations and procedures set forth above.

Section 5. Company Initiated Grievances

The Company shall have the right to initiate Grievances at Step 3 and those Grievances must be submitted in writing to the Union within fifteen (15) Business Days after the Company knew or should have known of the incident or occurrence giving rise to the Grievance.

Section 6. Exclusivity

The Union and the Company intend that the Grievance and arbitration provisions in the Agreement shall be the exclusive method of resolving all disputes between the Company and the Union and the Employees covered by this Agreement unless otherwise set forth or required under applicable law. Such disputes include wage and hour claims or disputes which shall include statutory claims over the payment of wages for all time worked, uniform maintenance, training time, rest and meal periods, overtime pay, vacation pay, personal time pay, and all other wage hour related matters. The parties agree that any Employee's or Employees' wage and hour claims or disputes relative to a violation of wage and hour law shall be resolved through the arbitration process provided for in this Agreement to the extent permitted by law and the Employees (by and through the Union) shall have access to the arbitration provision in this Agreement for the purpose of resolving any wage and hour claims or disputes.

ARTICLE 9: DISCIPLINE STANDARDS

Section 1. Just Cause

Employees may not be discharged or disciplined except for just cause. Any Employee discharged or disciplined shall be given written notice of the basis for such discipline or discharge. Upon request, the Union shall be provided with a copy of the notice to the Employee of discipline or discharge.

Section 2. Representation

All employees shall have the right to have a Steward or other Union Representative present at any investigatory meeting that the employee reasonably believes may lead to discipline. To effectuate the presence of such an individual, the employee must request the presence of the Steward or Union Representative.

For the purpose of this section and to allow for the timely response to an immediate and significant threat to the security of the United States or the safety of individuals, the presence of the Steward during the investigation of that threat will not be required as long as the threat exists.

Section 3. Progressive Discipline

The Company and the Union recognize the provisions of progressive discipline (i.e. Memorandum for the Record, Letter of Reprimand, and degrees in terms of suspensions prior to termination where warranted). The Company and the Union also recognize that even in progressive discipline, some offences are classified as egregious and warrant termination for a first offence. The Company utilizes a progressive discipline policy which is outlined in the Inter-Con Employee Handbook. Employees may be disciplined or discharged for just cause. In the event of a discharge or disciplinary action by the Company, the Employee will be given a written reason for the Employee's discharge or disciplinary action.

Should it be determined that discipline is warranted at the level of a suspension based on the Inter-Con Disciplinary Policy, the Company will notify the Employee of the suspension in writing. Upon final determination of disciplinary action, every effort will be made to schedule an Employee's suspension in a timely fashion, however, suspensions will be scheduled in a manner that minimize financial and operational impact to the Company.

ARTICLE 10: WORKWEEK AND OVERTIME

Section 1. Work Hours

For the purposes of this Article, a regular workweek of up to forty (40) hours of work shall constitute a normal full-time workweek for full-time Employees. Shift shall be defined as the start and end times of the Employee's work day. Shifts shall be designated at the discretion of the Company to fulfill the needs of the Client. Per the National Labor Relations Act, changes in shifts must be negotiated with the Union prior to implementation of any such changes unless necessary to meet Client coverage requirements. Nothing contained herein shall guarantee to any Employee any number of hours of work per day or week.

Every Employee shall receive a minimum of eight (8) hours in between scheduled shifts. The Company will make an effort to afford Employees a minimum of eight (8) hours in between a scheduled shift and training event. In the instances this cannot be accomplished, the Company will discuss training options with the Employee. However, the Employees and Union agree Employees must maintain all certifications and training qualifications to remain eligible for employment on the contract. For example: An Employee is scheduled to work from 1400 to 2200, the Employee shall not be required to return to duty until at least 0600 on the following day. Compliance with this section is not required in the event of an emergency, or if the Employee chooses to work by coming in early or staying after his or her scheduled shift.

The Company will avoid structing work to create a part time work force.

The company will not exceed the following number of positions at each site. Nothing will prohibit the Company from hiring officers to fill new permanent posts created by the client.

Ross Complex: 27

HQ: 19

Celilo: 7

Munro: 11

Positions designated as part time shall not regularly be given more than 32 hours except for the purpose of mitigating overtime hours.

Section 2. Overtime

An Employee shall be paid one and one-half (1 1/2) times the regular rate of pay for all hours worked in excess of forty (40) hours per week. Overtime will be offered by Seniority (within the worksite first) on a rotating basis. Overtime will be distributed as equitably and fairly as practicable among Employees.

If directed to work overtime or extra hours, and the seniority system is not invoked due to shortness of notice to the Company, the Employee shall be required to do the work, unless the Employee is relieved of that obligation by the Company. It is expressly understood that the Company shall have the right to schedule, or not to schedule, Employees to work overtime following the provisions of this Agreement as required. When an Employee is on duty and is assigned to work additional hours, the Employee is required to remain on duty regardless of post assignment. The Company will provide as much notice as possible to on-duty Employees when requiring overtime for that shift. When an Employee is contacted while off-duty for an assignment, the Employee may refuse the assignment without retribution.

Section 3. Meal Breaks

A thirty (30) minute paid period of time, is provided to Employees who work in excess of a four (4) hour shift. If an Employee misses their meal break the Employee shall formally notify his or her supervisor using the missed break form on the same day that the Employee missed the meal break.

Section 4. Relief Breaks

There shall be two (2) fifteen (15) minute paid rest periods for each eight (8) hour shift. These rest periods require that the Employee be properly relieved before leaving their post. One rest period shall be in the first half of the shift and the second rest period shall be in the last half of the shift.

The Company recognizes the requirement to make its best efforts to provide regularly-scheduled breaks. It is not the intent of the Company to avoid this requirement.

Section 5. Schedule Changes

Employees may initiate mutual changes to the published schedule by submitting the request to trade shifts in writing, using the Company supplied form and procedures. All requests must be pre-approved by the Supervisor and will affect only those named Employees.

Section 6. Workweek

The workweek is measured from 0001 hours Sunday to 2400 hours Saturday.

Section 7. Training

Employees are required to attend all training authorized by the Company. Employees will be paid their regular wage and will earn H & W benefits up to forty (40) straight time hours.

Section 8. Call-In Pay

Employees ordered to work will be paid not less than two (2) hours pay at that Employee's regular pay rate or at the start rate of pay at the site assigned, whichever is higher. The Employee must remain at the work site to receive the two (2) hours of pay or can elect to voluntarily depart without receiving the pay. However, the employer may not force the Employee to depart and forfeit the pay. This section applies to Employees called to work who, in the determination of the Employer, are not needed on the schedule.

Section 9. Payroll

Payday for all hourly Employees will be after 1:00 PM on the Friday following the two (2) week pay period ending on Saturday, subject to change by mutual agreement. The Company will make direct deposit available.

9.A Process at End of Employment

When employment ends for any reason, the Employee's final pay entitlements, including hours worked, will be processed and paid on the next full pay period following the Employee's out-processing and final time card submission unless prohibited by the laws of the state in which the Employee is assigned. All final hours, including any vacation entitlements, will be calculated immediately following the Employee's date of resignation. The submission of final hours worked is the responsibility of the Employee and should be submitted on the Employee's final day of work. Employees are expected to return all Company-issued uniforms, equipment and property.

Section 10. Facility Closure

The Company recognizes the fact that there are times when inclement weather, a natural disaster, or any other planned or unplanned event may close a facility or a government building where its Employees are assigned. In the event that a closure occurs, Employees will **be** excused and may use vacation leave, leave without pay, or volunteer to work available hours at an open facility within their area following the seniority provisions. Voluntary assignment at an alternate worksite will not displace permanently assigned personnel at that worksite regardless of seniority dates. If the Government agrees to reimburse the Company for the time Employees would have lost as a result of the closure, the Company will pay the Employee for the lost time.

Section 11. Undisputed Errors

Neither the Company or the Employee will be allowed to go back more than twenty-four (24) months to audit, adjust, or correct undisputed errors involving vacation pay, or salary issues unless required to do so by order or in the case of a criminal action. If an error is found, the Employee shall be notified in writing prior to any deductions from his/her paycheck. In the event of an

undisputed error on the part of the Company as to the Employee's rate of pay, proper adjustment will be made in the next pay period after the error has been brought in written form to the Company's attention.

Any pay errors identified that are not the fault of the Employee, involving eight (8) or more hours of pay, will be paid on the next paycheck provided the Employee submits the discrepancy to a Supervisor by the close of the current pay period. The discrepancy must be submitted using a complete and accurate Company supplied pay discrepancy form along with supporting documentation.

Section 12. Uniforms

The Company shall provide contract required uniforms and equipment to the Employees at no cost to the Employee. Employees shall maintain the uniforms and are responsible for presenting a professional appearance.

If an Employee desires to augment the issued uniform items or equipment, the Employee can present the make, model number, and color of the desired items to the Contract Manager for review. The Company agrees to present the items to the Client within five (5) business days and if approved by the Client, the Company will allow Employees to purchase, at the Employee's cost, the items and wear them on post, if the Client authorizes the uniform or equipment items to be utilized on the contract.

All uniforms and other equipment furnished by the Company shall be returned at the time of termination of employment and in cases where the Company requires a deposit for the uniform at time of issue the Company shall return the Employee's deposit.

The Employee shall be held financially responsible for failure to return all items issued upon termination and for any damage other than normal wear and tear.

Section 13. Travel Expenses

The Company will provide advance payment of Company authorized and approved travel expense if requested by an Employee at least five (5) days prior to travel. Any workday that includes travel and totals over twelve (12) hours will require the appropriate per diem to be paid. The Company will provide advance payments for Company authorized and approved travel expenses if requested by an Employee with sufficient notice and in accordance with Inter-Con's expense policy.

All hours of authorized travel up to a maximum of eight (8) per day will be counted as work hours, with the appropriate overtime wages provided for under this Agreement. Employees will be reimbursed for all authorized expenditures of any authorized travel within twenty-one (21) days from the day the Company receives the properly completed travel voucher and all required receipts for all items not covered by the advance payment.

ARTICLE 11: SAFETY

Section 1. Safety Policy

It is the intention of the Company to provide Employees with a work place and conditions of employment that are free or protected against occupational safety and health hazards. The Company agrees to permit one bargaining unit member selected by the Union to participate in any Company scheduled safety meetings. Any Company-required safety equipment will be furnished by the Company at no cost to the Employees.

Section 2. OSHA Standards

The Company will inform the Client of any violations of known OSHA standards associated with the Employee's work place.

ARTICLE 12: TRAINING

The Company and the Union are committed to providing the Company's customers, and their tenants, security employees whose training meets all applicable standards and ensures a high level of customer service.

Employees shall be required to successfully complete all training established and mandated by the Company. The Company retains sole discretion to determine the type and scope of such training. In addition, the Company may require additional training for Employees tailored to classifications that the Company may establish or for other reasons that the Company determines appropriate.

Employees shall not be required to pay for the cost of any training required by the Company. All individuals who desire to work for the Company must complete basic training prior to beginning their employment. Any time spent in post-hire training shall be paid at the officer's regular rate of pay.

ARTICLE 13: SENIORITY

Section 1. General Rules

After completion of the probationary period, an Employee shall attain seniority as of his or her original date of hire on the BPA contract. Unless otherwise provided, seniority shall be defined as an Employee's length of service on the BPA contract. An Employee's seniority as of the effective date of this Agreement shall be the Employee's Date of Hire with the Company or any predecessor Company on the BPA contract, provided that the chain of employment has not been broken. The chain of employment is broken where an Employee is separated from employment with a Company and on this contract. The burden of establishing a seniority date, if different from

the Date of Hire with the Company, shall be on the Employee and based on credible, documented proof.

Section 2. Seniority Lists

The Company shall maintain at its office a seniority list showing Employees' Dates of Hire and shall be furnished to the Union upon request.

Section 3. Break/Loss of Seniority

Unless otherwise prohibited by applicable law, seniority shall be broken by any of the following events:

- A. Resignation, retirement, or voluntary termination;
- B. Discharge for cause;
- C. Voluntary promotion into any non-bargaining unit position, unless the Employee returns to the bargaining unit within six (6) months of the promotion, in which case the Employee's seniority shall be fully restored, less any time in the non-bargaining unit position;
- D. Inactive employment for any reason exceeding six-(6) months or an Employee's length of seniority, whichever is less;
- E. Failure to return to work after any leave (including recall from layoff) within two (2) business days after a scheduled date for return, unless prior written notice is received by the Company.
- F. Seniority shall not be considered broken by virtue of military service or military leave, regardless of the length of absence.

Section 4. Layoffs

In the event of a layoff due to a reduction in force in a building, the inverse order of classification seniority shall be followed, provided, however, that for the purpose of this paragraph, seniority shall be based on total length of service on the contract.

The Company will maintain a recall list. Employees who are laid off will be placed on the recall list in seniority order. The Company will give first consideration to filling vacancies to Employees on the recall list provided in the reasonable opinion of the Company the Employee is qualified, suitable, and available to work.

An Employee who is laid off shall not be permitted to bump a less senior Employee at another facility or location. However, the laid off Employee shall have the right, for three (3) months to fill positions within the Employee's classification that may become available at the same account or location or at other accounts or locations subject to this Agreement, provided in the reasonable

opinion of the Company the Employee is qualified, suitable, and available to work. An Employee will acknowledge or decline acceptance of an offered position within two (2) business days. An Employee may decline an available position that is not substantially equivalent without losing the Employee's right to fill an available position, without losing his or her position on the recall list for the duration of the remaining three (3) month period.

To the extent both practical and possible Employees shall receive ten (10) calendar days' notice from the Company of the Company's intention to lay them off. This shall not apply to Employees terminated under the discipline section of this Agreement.

When informed of the possibility of a layoff under this paragraph, the Employee shall have ten (10) days in which to notify the Company if he or she wishes to accept a position with the Company at another location. (If the Employee is no longer working during any portion of this ten-day period, the foregoing sentence shall not impose any obligation on the Company to pay the Employee for any such non-working days.) Before any other Employees are hired, the Company shall place individuals who have chosen to go onto the recall list provided in the reasonable opinion of the Company they are qualified, suitable, and available to work. Recall rights hereunder are in order of Company seniority within classification. There shall be no bumping rights in conjunction with this paragraph. Nothing herein shall require the Company to place an Employee in a position for which the Employee is not qualified.

Transfers or removals of Employees because of a reduction in force shall not be arbitrary, retaliatory or in violation of Article 1. (No Discrimination). The Company shall make its best effort to promptly notify the Union, where possible in advance, of any significant reductions in the number of Employees assigned to any work location covered by this Agreement.

ARTICLE 14: OPENINGS & TRANSFERS

Section 1. General

Within the bargaining unit, assignments, promotions, and the filling of vacancies shall be determined on the basis of seniority, provided that, in the reasonable opinion of the Company, the Employee is qualified, suitable and available to work. Seniority shall be determinative when, and only when, all other job related factors are equal.

Seniority shall be determinative when all other job-related factors are equal among two or more Employees who are reasonably qualified for the particular position.

The Company shall maintain a current posting of permanent bargaining unit job openings at its supervisory offices or Gear Up location showing all opening in the locations covered by this Agreement, and shall provide, upon written request by the Union, including designated Stewards, a copy of such posting or otherwise make it available to the Union.

Section 2. Job Vacancies/Transfer/Advancement List

The Company shall also maintain a bargaining unit Job Vacancy/Transfer/Advancement list at its supervisory offices or Gear Up location and shall provide a copy of the appropriate updated list to the Union upon written request by the Union, including designated Stewards. An Employee who desires to change site location, post, or shift shall put his/her name on this list indicating his/her desired shift, post, location or geographic area, and/or wage rate, as appropriate.

When a vacancy occurs in a regular position at a location covered under this Agreement, the job will be posted for a minimum of five (5) business days (excluding Saturday, Sundays, and Holidays) within the entire bargaining unit. All Part-Time Employees who have notified the contract manager, in writing of their intent to apply for a Full-Time position and who are not scheduled to work during the five (5) day period at the site where the opening occurs, and any Employee on vacation or on other approved leave will be notified by the Company. In addition to the officers who indicate interest as a result of the posting, the Company shall give consideration to the Employees on the bargaining unit Job Vacancy/Transfer/Advancement list in order of seniority whose requests match the vacant position, assuming that, in the reasonable opinion of the Company, the Employee is qualified, suitable and available for work. If none of the Employees elect to transfer or accept the vacant position, the Company shall fill the position by placing the least senior qualified Employee in the position.

An Employee who is placed in a permanent position pursuant to this procedure shall be listed on the next updated bargaining unit Job Vacancy/Transfer/Advancement list with the information on his/her placement and shall be removed from the following updated list and shall not be eligible to put his/her name on the list for a period of six (6) months.

2.1 Advancement Opportunity

In the event a bargaining unit promotional opportunity, which is defined as a “Lieutenant”, or Alarm Monitor Specialist, arises at a site covered by this Agreement, the position will be posted as outlined in Article 14, Section 2. In deciding on the Employee to be promoted, all Employees steadily employed at the job site will be considered along with other persons, with respect to the following factors:

- A. Seniority;
- B. Qualifications;
- C. Availability;
- D. Prior work record;
- E. Leadership skills; if required and,
- F. Any other required skills.

Where all factors other than seniority are equal, an Employee with the greatest seniority employed on the job site shall be selected over all others.

Opportunity for full time Employment: Part-Time Employees shall be given preference by seniority in bidding for open full-time positions, provided that, in the reasonable opinion of the Company, the employee is qualified, suitable, and available to work. Seniority shall be determinative when all other job-related factors are equal.

Section 3. Assignments

The worksites for this contract are BPA HQ/Ross, and Celilo and Munro. The Company, upon a mutual written agreement with the Employee may temporarily or permanently assign an Employee to another building, or among other buildings, covered by Article 2 of this Agreement, provided that Employees so assigned shall be credited with all accumulated seniority from their previously assigned location at their new location and shall continue to accrue seniority at their new location as if they had started work at that location, and that such assignments shall not be made arbitrarily, in retaliation or in violation of Article 1.

For Employees temporarily assigned to Celilo, the Company agrees to pay the IRS mileage reimbursement rate for all miles driven from the Employee's home to Celilo, minus the regular miles driven from home to their regularly assigned location

If for the sole purpose of continuing uninterrupted operations, the Company may temporarily, for a period of time not to exceed one hundred and twenty(120) days, assign an Employee to another building, or among other buildings, covered by Article 2 of this Agreement, provided that Employees so assigned shall be credited with all accumulated seniority from their previously assigned location at their new location and shall continue to accrue seniority at their new location as if they had started work at that location, and that such assignments shall not be made arbitrarily, in retaliation or in violation of Article 1.

Vacation entitlement calculations will be measured from the end of the pay period in which the date of anniversary falls and shall include the twenty-two(22) previous consecutive pay periods, i.e twenty-six (26) consecutive pay periods in total. It is the intent of the parties to measure the anniversary year from the beginning of the parties to measure the anniversary year from beginning one full pay period to the end of the anniversary pay period for ease of administrative burden. (To include PTO/Vacation balance on pay stubs)

Vacation entitlements are earned by the year based on the Employee's Date of Hire. Vacation pay will be paid as vacation entitlements are used.

If any employee is found to have been allotted less than 1 hour of personal/sick time for every hour worked, the Employer will award the employee additional hours of personal/sick time in order to achieve this ratio.

Employees may carry-over up to 40 hours of personal/sick leave per year. By September 15 of each Contract Year, the Employee must notify the Company, in writing, of the number of hours, up to forty (40), that the Employee desires to carry over. If the Employee does not notify the

The Union and the Employer shall discuss the number and duration of such leaves of absence in any period of time, and agree that the number and duration of such leaves shall be reasonable. At no time shall the number of personnel on Union leave negatively impact the ability of the Employer to successfully conduct the security operations of the contract.

Section 3. Accrual

Employee seniority does not accrue but is not broken during authorized leaves of absence, except where required by law and as provided in Section 2, Union Leave. Individuals on unpaid leave shall not accrue vacation or health and welfare benefits

The collective plan shall be referred to as the HWBP or “Plan” or “The Plan” for the purposes of this agreement.

H&W contributions shall be set by the CBA between the parties and will be paid on all straight time hours up to a maximum of 2080 hours per year.

All H&W amounts earned by each Employee will be placed in a HWBP account under their name and shall be immediately 100% vested in the Employee. All Employees will be enrolled into and participate in the HWBP. Part time Employees are eligible to participate in each component of the “Plan” with the exception of major medical (item 1, below). H&W will be contributed to the retirement plan 401(k) component of HWBP and are not eligible for the other components of HWBP.

Full Time Employees are eligible for all components of the HWBP. Full Time Employees with coverage through another employer’s group health plan (including active or retiree major medical plans) which meets ACA minimum value standards may elect to waive the group major medical component of the HWBP with proof of said coverage and completion of a waiver form. Full Time Employees that meet the aforementioned waiver criteria may direct their H&W amount to other components of the HWBP. Full Time Employees that are eligible for the group medical plan and do not make an alternate election nor provide proof of valid other coverage during open enrollment will be auto-enrolled in the “designated default medical plan”.

For Employees enrolled in “Employee Plus Child”, “Employee Plus Spouse” or “Employee Plus Family” major medical plans (i.e., not “Employee Only”), the Company will annually set an amount of H&W funds that will be used to pay major medical premiums. The Employee will not have the option to commit an amount other than the amount established by the Company. To the extent that the established amount of H&W funds does not cover the entire cost of “Employee Plus Child”, “Employee Plus Spouse” or “Employee Plus Family” major medical plans, the balance shall be paid with regularly recurring payroll deductions.

No H&W will be used to pay any cost of dependent coverage for any other element or feature of the HWBP.

The amount of H&W that will be used to pay the cost of “Employee Plus Child”, “Employee Plus Spouse” or “Employee Plus Family” major medical plans will be established prior to open enrollment and communicated to the Union along with other Plan offerings. For the 2020 benefits year, the amount of H&W that will be used for “Employee Plus Child”, “Employee Plus Spouse” or “Employee Plus Family” major medical plans is seven hundred dollars (\$700).

The Plan will comply with all applicable laws, and the Employer retains the right to modify the plan to ensure compliance with applicable laws and regulations. The Plan will offer various benefits to Full Time Employees as outlined below which shall be selected by each individual participant as they see fit; all full time Employees are encouraged to actively monitor and revise their benefits selections as they individually deem appropriate and will be afforded the opportunity to do so during open enrollment and/or when the Employee experiences a qualified life event change. The Plan shall contain, at a minimum, the following features, available for selection by all full time Employees, which will be developed in consultation with the Union:

1. Major medical plan that meets the minimum value requirements of the Affordable Care Act.
2. Voluntary and/or Supplemental dental plan.
3. Voluntary and/or Supplemental vision plan.
4. Voluntary life insurance.
5. Voluntary disability insurance
6. All coverage offered by the Plan will be administered by the Fringe Benefits Group/The Contractors Plan.

In the event any Employee does not fully allocate or direct all the funds in his HWBP account, any remaining funds will be contributed by the Company, on a non-elective basis and without any choice or direction on the Employee's part, to an account in the Employee's name in a retirement plan established by the Company, which retirement plan is intended to comply with Section 401(k) of the Internal Revenue Code. The retirement plan will permit Employees to make elections as to the investment of funds and will contain a default election as selected by the trustee. The retirement plan will permit Employees the opportunity to make two (2) withdrawals during any single plan year for a fee of \$20.00. Employees under the age of 59 ½ may be subject to IRS rules regarding hardship withdrawals.

The Company will:

1. Ensure all Employees are automatically enrolled in the Plan within three pay periods from their date of hire.
2. Ensure all H&W earned by the Employee is sent to the Plan within 14 days of the end of the pay period for which the money is earned.
3. Ensure each full time Employee receives the information to facilitate the allocation of their H&W monies as they choose once a year during annual open enrollment.
4. Consult with the Union to develop the Plan and Plan documents, including the selection of benefits to be included in the Plan offering and prior to making any voluntary Plan changes after the Plan is established.
5. Have the final say in all benefits included in the Plan

On behalf of the Employees, the Union agrees to the following:

1. The Company may use all needed Employee information available to the company in the normal course of business to set up these accounts.
2. No Employee covered by his agreement may refuse to participate in the Plan. Refusal to sign any documents will not prevent an Employee's funds from being placed in the Plan.
3. If an Employee fails to make an election, a non-elective contribution will be made by the Company to the Retirement Account established under this plan.
4. The Union agrees that the Plan will continue for the term of the CBA and all future CBA's unless specifically negotiated.

ARTICLE 22: RETIREMENT

Regular Full-Time Employees shall be eligible to participate in the Employer-sponsored 401(k) savings plan, in accordance with the terms and conditions of such plan as it may be amended.
